

Community Fundraising Fact Sheet

For over 25 years Lighthouse Foundation has successfully supported over 800 young people to break the cycle of homelessness. Lighthouse provides homeless young people from backgrounds of long-term neglect and abuse, with a home, a sense of family, and around-the-clock therapeutic care that is proven to work.

“My colleagues and I loved fundraising for Lighthouse. We’re so pleased to be handing our cheque over to Lighthouse. We know our donation will have a real impact.”
