

# Regular Giving - Lighthouse Keepers Fact Sheet

For over 25 years Lighthouse Foundation has successfully supported over 800 young people to break the cycle of homelessness. Lighthouse provides homeless young people from backgrounds of long-term neglect and abuse, with a home, a sense of family, and around-the-clock therapeutic care that is proven to work.

*“Each month a donation automatically comes out of my account. It’s so easy, I barely notice. I love knowing that my contribution is helping young people succeed.”*

## Lighthouse Keepers ensure our future

Regular giving is easy and convenient! As a beloved Lighthouse Keeper, your commitment to Lighthouse Foundation truly shines. Your monthly contributions make a real difference to the lives of vulnerable young people.

In one simple process, you can specify the amount you wish to give and provide the details of your credit card or nominated bank account for your donation to be automatically deducted each month.

This regular automatic donation is secure and can be changed, paused or cancelled at any time. A receipt will be sent for tax purposes at the end of each financial year.

## Your regular donation makes a difference

With cost of living pressures, family hardship, violence, abuse and neglect, homelessness on the rise, the need for Lighthouse Foundation’s services continues to grow.

Disadvantaged youth are doing it tough. Now more than ever they need our support. A reoccurring monthly gift allows Lighthouse to utilise your donation strategically.

By being able to count on your donation we are able to effectively plan to utilise your gift and attribute it to where it’s needed most.

A monthly gift will make a significant difference to homeless youth impacted by trauma:

- \$30 monthly can provide young people with transport to and from education or employment
- \$60 monthly can provide ongoing fresh groceries and laundry supplies for our homes
- \$120 monthly can provide our young people with regular tailored therapeutic counselling
- \$500 monthly can keep our family-style homes running by supplying electricity, gas, water and general maintenance for an entire Lighthouse household.

By becoming a Lighthouse Keeper your support helps us to provide homeless youth with a stable, loving, family environment and tailored therapeutic care that is proven to work.
